

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0371/1dn
PG:eev:jm

March 10, 2014

Jon:

This draft deletes the provision that required the school board of a sanctioned school, if it contracts with a person to operate the school as a charter school, to issue a request for proposals and publish a class 1 notice within 30 days. I think that requirement makes sense only if the charter school is not an instrumentality of the school district.
